

REVISED NOTICE

June 12, 2017

Call for a Public Meeting

To: Residents of Millington Community School District and the parents of children who attend the Millington Community School District

Please take notice that the Millington Community School District Sex Education Advisory Board, in accordance with PA 165 and 166 of 2004, has been meeting during the past year to evaluate, and revise the curriculum and instruction provided to our students in human sexuality education and HIV/AIDS education. Two public meetings have been planned in meeting with statute. The purpose of these meetings is to report to the public the progress of the Millington Community School District Sex Education Advisory Board and to obtain input from the public regarding the proposed revision(s) to the sex education curriculum and instruction in our schools.
